

### Cigi 2019-20

#### In-Market Technical Support Programs for Customers & Programs for Domestic Industry

Please note participation in Cigi's in-market technical support programs and Canadian industry new crop seminars is by invitation only. Producers interested in the Combine to Customer Program should contact their provincial wheat commission (Manitoba, Saskatchewan, Alberta) for more information. For details about our open enrollment Canadian Grain Industry Overview Program click on the 'Register Now' box in the sidebar of the Cigi web site.
